

Marcus Autism Center Caregiver Workshop Series

Toddler Workshop Series

About the workshop

Please join us for a four week informational workshop series for families to learn more about their child's autism spectrum disorder (ASD) diagnosis, and how to build social and communication skills at home. A multidisciplinary team from psychology and speech and language pathology will present this workshop. Parents will be provided with resources, handouts, and an opportunity to learn new strategies to use at home with their child. Note: Participation is limited to 2 caregivers per family **and child under 36 months** to practice and model skills.
